Dolan Denmark!

Brown; toaled May 11, 1888; 15 hands and 21 inches high; extra heavy mane and tail; Bred by Thos. Carr, Lexington, Ky.

SIRED by Pat Dolan's great Washington, of Fayette county; 1st dam by Trogan; 2d dam by Washington Denmark. Washington, the sire of Do-LAN DENMARK, is one of the most noted, both for siring extra fine saddle horses as well as himself taking premiums wherever shown. Washington has taken several sweepstake premiums at all the prominent fairs in Kentucky. Washington is by Cromwell; his dam is by the noted Halcorn. Cornwall is by Washington Denmark; his dam is by John Dillard (noted for siring fine saddle horses as well as the dams of some of the fastest trotters); next dam by the noted thoroughbred race horse, Grey Eagle. Trogan, the sire of the dam of Dolan Denmark, was an extra fine high-styled horse, by Brignoli; he by Mambrino Chief; Ist dam by Tom Crowder, by Brown Pilot, the sire of Pilot, Jr., the sire of the dams of Jay Eye See 2:10 and Mand S., 2:083. Washington Donmark, the double great grandsire of Do-LAN DENMARK, is one of the most noted of all the great Denmark family; was by Gaines' Denmark; (this horse not only sired fine saddle horses, but sired pacers with records better than 2:25); he by the great Denmark race horse, Blind Billy. Dolan Denmark is wonderful in the perfection of his gaits and has a splendid running walk, the kind business men look for. He will be permitted to serve mares during 1891 at my farm at Sideview. Montgomery county, Ky.,

AT \$15.00 TO INSURE A LIVING COLT.

Mares from a distance kept at 5 cents a day. Care will be taken to prevent accidents and escapes, but will not be responsible should any occur. DOLAN DENMARK took the blue ribbon in his two-year-old form at Winchester and the 2d premium at Lexington, Ky., where his brother took the 1st premium with ten or twelve other horses in the ring. Dolan Denmark stands lower than any other horse with his breeding and qualities in the county, and he is as high bred as any saddle horse in Kentucky and I fear

no successful contradiction. A lein will be retained against all colts and will be enforced for the season money which is due when the colt is foaled alive.
